

Volunteer with us!

We provide information advice and support for parents of children and young people from 0-25 who have Special Educational Needs (SEND) as well as working directly with young people with SEND.

We are looking for committed volunteers from all areas of Devon to work with us to provide this support.

We offer extensive training opportunities, a chance to widen your experience and develop your CV, and the opportunity to make a real difference to people navigating the world of SEND support.

Training Course for new volunteers:
